Please clearly print the name of the student's first and last name. Be sure to include the dates absent. All absentee notes for students must have a parent's signature. Please remember to send a note within 5 days of your student's absence. Requests for administrative approval of absences must be sent to the respective grade level administrator at least 2 weeks in advance.

REMINDERS

Dropping off Lunches

- **Parents may drop off forgotten lunches in the main office.**
- **Parents may drop off lunch for their child only.**
- **Parents and/or students are not permitted to order food to be delivered to the school.**
- **Deliveries will be turned away.**

Picking up a student

Only a parent or legal guardian (living at the address where the student is registered) may sign a student out of school unless there is a SCHOOL EMERGENCY and the SCHOOL is unable to reach the parent or legal guardian. If a parent or legal guardian is sending someone to pick up a student from school FOR ANY REASON, he/she MUST send a written note in advance indicating who will be picking up the student and giving consent which requires a legal signature. This rule applies whether or not the person who is picking up the student appears on the Emergency Information Card. Upon receiving a note from a parent/guardian the school will verify its authenticity with verbal confirmation with the parent/guardian and verifying the ID of the adult who signs the student out of the building. The parent or legal guardian must provide written documentation explaining the reason for the early dismissal. The school will then code the early dismissal as lawful or unlawful according to the Code of Maryland Regulations 13a.08.01.03.

Student Dress Code

Suggestive, provocative or excessively tight clothing is not allowed to be worn to school or to school-sponsored activities. CCPS does not allow clothing to be worn on school property or to school-sponsored activities, which displays messages, or images that are offensive, vulgar, harassing, or otherwise inappropriate for the school setting. Clothing that is judged by the school administration to be disruptive to the orderly school process either by virtue of the design or in the manner in which it is worn is also forbidden.

Members of the Charles County Association of Student Councils, in collaboration with parents, staff, and community members, developed the following system-wide dress code, as amended and approved by the Board of Education.

1. Clothing must be suitable for all scheduled classroom activities including physical education, science labs, wood shop, and other activities where unique hazards exist.
2. Shorts and skirts are permitted as long as they reach the middle of the thigh, defined as shoulders relaxed and arms straight down alongside the body where fingertips touch the thigh. Slits in the skirt may not rise more than two inches above fingertips.

8. Leggings, biker-type/spandex shorts, or joggers must be opaque and worn with a top that meets the length expectations of shorts and skirts (see #2).
9. Backless and open-toed shoes with a hard sole are permitted as long as the shoes do not pose a safety hazard. Foam and similar soft-soled shoes, such as flip-flops or beach footwear, are prohibited.

11. Sleepwear and sleepwear-type clothing are only permitted for certain activities, such as overnight field trips and spirit days.

13. Formal attire must not be disruptive or distracting. Spaghetti straps and strapless formal garments are acceptable as long as adequate coverage is maintained during the activity. Slits in skirts or other garments must meet the expectations for the same in rule #2. Transparent attire is prohibited. Necklines may not fall below mid-sternum. Backless garments are permitted at any formal affair.
14. The dress code is in effect for participating students at all school-sponsored events on and off campus.

Note: Administrators have the flexibility to exercise their judgment, with the authority of the executive director of schools, to determine if a student's attire is considered disruptive, distracting, or a safety hazard. Exceptions may be granted for medical or religious reasons.
