## Report card time: What is your grade?

By now you have your child's report card and can discuss their progress with them. I was making myself a report card to think about how my progress has been this year, and I made one for parents and teens as well. These "report cards" will give you a chance to consider how to improve your relationships and are also great conversation points. Some parents ask their children to do the ratings, some like to do their own. The purpose is not to have a child tell you what to do, or to berate you. Rather, it is a tool you can choose to use to discuss what is going right or wrong in your family.

In the table below, I have a parent and a teen family report card. Look it over and see what you think!

Parent Items	Parent Grade	Teen Items	Teen Grade
I show my child I love them		I show my family I love them	
I spend time with my child		I spend time with my family	
I listen to what my child says		I listen to what my parent says	
I am truthful		I am truthful	
I control my anger and words		I control my anger and words	
I am fair with discipline		I accept my boundaries	
I ask about their progress in school		I try my best at school	
I write a note when my child is absent		I try to attend school daily	
I am willing to say sorry and I forgive you		I am willing to say sorry and I forgive you	

Below is a report card I gave myself as your school psychologist, just to help me think about how I can be as helpful as possible to you and your child. You may give me feedback as you wish.

School Psychologist Items	Grade
I listen to you when you call or visit	
I provide you with resources when you need them	
I am responsive to you and your child	
I have a basic knowledge of school psychology	
I care about you and your child	

I have enclosed my link for Bookings if anyone would like to make an appointment with me:

## REMINDERS

### Dropping off Lunches

- Parents may drop off forgotten lunches in the main office.
- Parents may drop off lunch for their child only.
- Parents and/or students are not permitted to order food to be delivered to the school.
- Deliveries will be turned away.

### Picking up a student

Only a parent or legal guardian (living at the address where the student is registered) may sign a student out of school unless there is a SCHOOL EMERGENCY, and the SCHOOL is unable to reach the parent or legal guardian. If a parent or legal guardian is sending someone to pick up a student from school FOR ANY REASON, he/she MUST send a written note in advance indicating who will be picking up the student and giving consent which requires a legal signature. This rule applies whether or not the person who is picking up the student appears on the Emergency Information Card. Upon receiving a note from a parent/guardian the school will verify its authenticity with verbal confirmation with the parent/guardian and verifying the ID of the adult who signs the student out of the building. The parent or legal guardian must provide written documentation explaining the reason for the early dismissal. The school will then code the early dismissal as lawful or unlawful according to the Code of Maryland Regulations 13a.08.01.03.

### Student Dress Code

Suggestive, provocative or excessively tight clothing is not allowed to be worn to school or to school-sponsored activities. CCPS does not allow clothing to be worn on school property or to school-sponsored activities, which displays messages, or images that are offensive, vulgar, harassing, or otherwise inappropriate for the school setting. Clothing that is judged by the school administration to be disruptive to the orderly school process either by virtue of the design or in the manner in which it is worn is also forbidden.

Members of the Charles County Association of Student Councils, in collaboration with parents, staff, and community members, developed the following system-wide dress code, as amended and approved by the Board of Education.

1. Clothing must be suitable for all scheduled classroom activities including physical education, science labs, wood shop, and other activities where unique hazards exist.
2. Shorts and skirts are permitted as long as they reach the middle of the thigh, defined as shoulders relaxed and arms straight down alongside the body where fingertips touch the thigh. Slits in the skirt may not rise more than two inches above fingertips.
3. Clothing must cover the chest area, cleavage, torso, and undergarments. Tops may not be lower than mid-back.
4. Spaghetti straps and garments that are both strapless and sleeveless are not permitted during the school day.
5. Undergarments must not be visible at any time.
6. Pants must be secured no lower than mid-hip.
7. Ripped pants are permitted as long as rips fall below the shorts length criteria, are limited to the front side of the leg, and do not exceed three inches in diameter above the knee. Skin exposed by all other rips must be covered by opaque clothing that is not underwear.
8. Leggings, biker-type/spandex shorts, or joggers must be opaque and worn with a top that meets the length expectations of shorts and skirts (see #2).
9. Backless and open-toed shoes with a hard sole are permitted as long as the shoes do not pose a safety hazard. Foam and similar soft-soled shoes, such as flip-flops or beach footwear, are prohibited.
10. Headwear is not permitted. This includes, but is not limited to, hats, skull caps, visors, bandannas, sweat bands, shower caps, and hoods. Scarves may be worn as a headband only. (Exceptions may be granted based on religious and medical reasons with proper verification.) Sunglasses are not permitted except during outdoor activities.
11. Sleepwear and sleepwear-type clothing are only permitted for certain activities, such as overnight field trips and spirit days.
12. Clothing that displays or symbolizes any language or material that is inappropriate for school or offensive to any group is not permitted. This includes, but is not limited to, material relating to drugs, alcohol, profanity, obscenity, racism, gang activity and violence.
13. Formal attire must not be disruptive or distracting. Spaghetti straps and strapless formal garments are acceptable as long as adequate coverage is maintained during the activity. Slits in skirts or other garments must meet the expectations for the same in rule #2. Transparent attire is prohibited. Necklines may not fall below mid-sternum. Backless garments are permitted at any formal affair.
14. The dress code is in effect for participating students at all school-sponsored events on and off campus.

***Note: Administrators have the flexibility to exercise their judgment, with the authority of the executive director of schools, to determine if a student's attire is considered disruptive, distracting, or a safety hazard. Exceptions may be granted for medical or religious reasons.***
